### A NOTE FROM BRO. STEVE

I want to give a big "THANK YOU" to Kate and Andy for the extra work during these months of the Covid-19 crisis. Their extra work enabled the ministries of worship, Sunday School Bible study, and children's time to reach people through the internet, especially Live Stream.

An article from the Illinois Baptist State Association (convention) stated it well: "If you're really going to grow your mission, serve your people and reach new people, it's going to take a lot of innovation and experimentation." Kate needs your help in this outreach ministry. If you would help in the Live Stream ministry contact Kate, Andy or Chris.

It is exciting to see you in worship. Continue to pray for the ministries of our church as we, together, face the challenges in our mission to reach people through Christ. God Is In Control. May God bless you.
