## A NOTE FROM BROTHER STEVE

As we think of Fathers Day, memories come to mind. Some memories are current because you have living fathers while others of us have past memories.

I read a quote of Clarence Kelland, "He didn't tell me how to live; he lived, and let me watch him do it." I can identify with it and another quote from Naveen Jain, "Being a father has been, without a doubt, my greatest source of achievement, pride, and inspiration. Fatherhood has taught me about unconditional love, reinforced the importance of giving back and taught me how to be a better person."

*I thank God for the privilege of being a father. It is a responsibility, but a gift from God.*

**FATHERS- HAPPY FATHERS DAY**

May God bless you all.

*Bro. Steve*
