**REACHING, TEACHING, AND GROWING,
ALL TO THE GLORY OF GOD!**

JULY 2020

A NOTE FROM BROTHER STEVE

An English/Drama teacher (my wife) told her students and me at times, "*Breathe in through the nose and out through the mouth*" for relaxation and patience. This is good advice as I think of the days ahead. We have some wonderful

days coming and it begins, Sunday, July 5. Actually we have already experienced wonderful days and have "more" coming.

July 5 is a pivotal turning point as we continue to move forward in reaching out through God's ministries. These are exciting times as, together, we make a difference in the lives of those around us. Continue to pray as we move forward. In this process remember, "*Breathe in through the nose and out through the mouth.*" May God bless you.
