A NOTE FROM BROTHER STEVE

An excerpt from a Dr. Suess book says: *"Today is your day. You're off to great places..."*

As we begin to move forward through the weeks of Covid, we are off to great places for God. What is our vision for the days ahead? It has been said, *"Vision is not always what we're doing, but why we are doing it."* Vision originates between the thought of *"What is"* and *"What could be"*. Life and God's ministry is a journey that has a destination (a direction). Vision brings God's ministries into focus. A God-ordained vision begins with a concern and develops into a conviction. God willing, I will be preaching the next two weeks on *"How To Build a Vision"* and *"How To Keep A Vision Alive"*.

"Today is our day. You're off to great places..." These are opportune days for the family of God. May God bless them and each of you.

Bro. Steve
