A NOTE FROM BROTHER STEVE

PRAYER- What a powerful word with commitment and action. After last weeks Teacher Appreciation and Recognition, I thought about the importance of every teacher, staff, administrator and board member. I realized the commitment and huge responsibility of each making a difference in the lives of students. In addition to these,

we as a church also have a responsibility through a commitment of PRAYER. Pray for schools as they open and a hedge of protection during these uncertain days. Pray and give encouragement to students, families, schools, as well as, each other. As we PRAY in these unusual days, may we seek and ask God for His leadership in touching lives of PEOPLE around us.

God bless each of you.

Bro. Steve
