A NOTE FROM BROTHER STEVE

The long awaited time has come: SCHOOL! Yes it comes with questions and changes from what we once called "normal", but it is here. "THANK YOU" teachers and administrators for your commitment to education. I will continue to pray for you, students and families.

Speaking of families, another long awaited time is here. Add to your calendars: WEDNESDAY, SEPTEMBER 9. We return to a time of missions-music and Bible study. As Scripture says: "If my people will...". I encourage you to come to a time of fellowship with our Lord.

Have you ever struggled in your prayer life? I will be leading a biblically based Bible study on "The Power of a Simple Prayer- one line-one phrase- at a time." I do need your help in determining the needed space for the Adult Bible Study. Call the church office if you plan to attend the study. Thank you for the call, I look forward to this time together. What do you hear and say "Before Amen?". As the song says: "O Come To The Altar". May God bless you.

This is to recognize all the volunteers from FBC who helped with the Ministerial Alliance Sack Lunch Program during this summer of facemasks, sanitizers and social distancing.

For 12 Mondays, people from FBC put together sack lunches and distributed them out in a curbside pick-up process. There were 20 adults and numerous youth who worked throughout the 3 months, foregoing personal comfort to wear facemasks and gloves and giving their time for the greater good. Several people volunteered to work multiple times and that was key in putting together the 2 teams, for inside and outside, that it took for each Monday.

Thank you so much for all your effort in serving and for representing First Baptist Church in this community project.

Dear First Baptist Lunch Crew,

What a summer! Together we have served over 5000 lunches. Over the course of these three months, our program has been blessed with monetary, fruit and various food donations. I am most grateful for the time you volunteers have devoted to the program. Without you, this would not be possible.

In Christian Love,
Melody

Dear FBC,
Thank you very much for
the scholarship.

Sincerely,
Christian Helbling

Dear FBC Soul Food Ministry -

A big thank you for the food and to Bert and Kay Rosebrough for bringing it out and visiting with us following my knee surgery. We felt loved and blessed and appreciated it very much.

With love, Jamie Helbling
