A NOTE FROM BROTHER STEVE

The lyrics to Don Moen's "Thank You Lord" says it all for November, 2020. "I come before you today... For all You've given to me. For all the blessings I can not see...with a grateful heart, with a song of praise...I will bless your name...I just wanna Thank You Lord... You took my darkness and gave me Your Light. Thank You Lord." Yes, we have experienced a lot of changes in meeting times at church, but we still praise God every day for His light. Do you realize at the time of this writing God's Word has reached 180 people from last Sunday's worship? (40 on site- 140 virtual live stream). How many lives did Jesus touch? thank You Lord for the opportunity and Thank You First Baptist for your prayers.

Let me encourage you to continue to give your tithes and offerings through one of three ways: in person- by mail or on-line. Through faithfulness lives are reached and touched through the love of God.

On this Thanksgiving Day and every day, "Let's Just Praise The Lord". As His light shines on the other side of these unusual days we will see His plans and His wide open arms of love, "The Light of The World is Jesus!" May God bless you. Happy Thanksgiving. Stay safe.

Bro. Steve
