A NOTE FROM BROTHER STEVE

As we approach the conclusion of the historical year of 2020, may we be encouraged by the words, "Christ is Alive!". Why be encouraged? We have been given a tremendous opportunity to move forward in a journey of faith with God's glory. Did I say encouraged? I read this week, during the first 11 months of 2020, 6.99 million users from 237 countries accessed the internet to music

from the ages which included the late Ira Stanphill's song "I Know Who Holds Tomorrow". The encouraging words say: "I don't know about tomorrow. I just live for day to day...Many things about tomorrow I don't seem to understand.."

But I know who holds tomorrow and I know who holds my hand..." I have no real answer to the many questions regarding the events of 2020, but I do know who holds my hand and my future. It is my prayer each of you "Know Who Holds Your Hand". Pray for the Christmas Eve Service as we "safely" worship together through the Lord's Supper, Candlelight and God's Word. Be encouraged because "The Light of the World" is Jesus and God is in control.
