**REACHING, TEACHING, AND GROWING,
ALL TO THE GLORY OF GOD!**

June 2021

Dear FBC Family,

When we first had Logan, I had the thoughts that every first time dad has. "I'm going to teach my son how to ____." Fill in the blank with whatever sport, hobby, or skill that you may have wanted to teach your child. I first got interested in bowling because my dad was an avid bowler, and I wanted to be like my dad. My dad taught me what it meant to treat people with respect and the value of an honest day's work. I am grateful for all of the lessons that I have learned from my dad.

Now that I am a dad myself, I often wonder, "What kind of life am I modeling in front of my children?" I strive to always be teaching my kids about the most important thing in life—Jesus. As Voddie Baucham has stated, "If I teach my son to keep his eye on the ball, but fail to teach him to keep his eyes on Christ, I have failed as a father."

From Henry County R-I School District to First Baptist Church, Windsor.

Our Annual Academic Banquet was held on Friday, May 7th. Your generous support is doing much to recognize the great students we have at Windsor High School and celebrate their accomplishments. On behalf of all the students to be honored and the staff, let me offer our sincere appreciation.

We often hear so much about all the negative things happening within schools. The truth is that the overwhelming majority of our students come to school every day and work hard to gain the quality education provided them. Your kind donation will help us recognize and celebrate the accomplishments of our best and brightest students.

Sincerely,
Mr. Scott Ireland
Superintendent

Dear FBC,

Thank you so much for the special service for graduating seniors, for the gifts and for the very wonderful lunch and program. The youth serving did an excellent job, and the food was delicious.

Your thoughtfulness was greatly appreciated.

Sincerely,
