Summer Lunch Program starts Monday, July 5th and goes for only seven weeks. Can you spare time from 10:30-12:30 on a Monday to help make sure the kids in our community get a good lunch? You can be inside putting the lunches together or on the outside handing them out as the cars come by. If you haven't already signed up, please call the office. If you have signed up, your time to serve is coming fast!

We have added more days to the calendar to allow you to continue to bless the Walthalls with meals while Janice recovers from hip surgery. If you do not have an email in the church system and would like to sign up to deliver a meal to the Walthalls, feel free to give the office a call; we'll find a date that works for you, and get you on the schedule. Janice says the meals have been a huge blessing to them, and they've been delicious, too!

## Pic-a-nic in the Park

**Let's** meet right after church July 25th in the White Pavilion at Farrington Park. We'll **have** hot dogs on buns with condiments and lots of other good stuff. Teri will be at the back of the church Sunday with a sign-up sheet for various side dishes, fruit, **some** chips, drinks, and desserts...or you can call Teri in the office to sign up for whatever you'd like to bring! We suggest you bring fold-up chairs and a paper fan!!!

Let's show the community that we Baptists know how to have **fun**!

Dear FBC Windsor,

Thank you so much for your gifts to the BSU this past year. Your giving, no matter the size, is vital as we make disciples of all nations. Our vision is to transform the UCM campus through the gospel and love of Jesus Christ. Your giving provides the resource base needed to accomplish this.

Without givers like you, the BSU cannot have an impact on the UCM campus. Because of your support, we are able to share the gospel, encourage believers to grow spiritually, call students and staff to be a part of one of our associational churches, train and equip students to be leaders, and mobilize students to be a part of short-term and long-term missions at home and around the world.

Again, thank you for supporting the Baptist Student Union.

Jerome Stockert

Campus Missionary, UCM BSU

### **GREETINGS IN THE NAME OF JESUS CHRIST**

School is just finishing up, so summer is just getting ready to kick off in Haiti.

Pastor Rousier, Pastor Paul and another pastor in the group, Pastor Ducas, that started School of Light, a Christian school there in Mawouj, said they had a good first year.

The last prison visit 80 were saved, they found a pastor had been put in prison there and that pastor has no clue why he is there except to help the pastors as they come to minister and evangelize and disciple. They also shared with us that when they entered the court yard the inmates started singing and praising Jesus. Doesn't reading that just give you goose bumps, it does us.

This update is mainly for
