Dear *FBC* family,

How much faith do you have that God is able to see you through “whatever” is going on in your life? Do you believe that God is able to? When we receive bad news or have a loved one share bad news with us, is our first response to panic? Do we wring our hands and ask ourselves, “What are we going to do?” I know sometimes, more often than I would like to admit, that is my response. What does the Bible tell us we should do in situations like that? “Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your request be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.” (Philippians 4:6,7 ESV). As D. Martin Lloyd-Jones says, “Faith is a refusal to panic.”

May we be people of prayer. I love you guys, and I am praying for you.

In Christ,

Pastor Mike
