### Easter Morning

The stone wasn't rolled  
away from the tomb  
So that Jesus could leave.  
He was already gone.  
It was rolled away  
So that doubters like me  
Could look in and cry  
"I believe! I believe!"

-Ephesus Baptist Church  
Durham, NC

Christianity is the only religion in the world which can triumphantly point to an empty tomb. Every other world religion has a dead leader. But Christ is alive!

"Let's not be weary in doing good, for we will reap in due season if we don't give up."

Galatians 6:9

### The Stone is Rolled Away

Easter is the time of triumph because Jesus Christ rose again from death.

For our fear, we are given hope; for our sins, we are promised victory over them; and for death, we are promised Eternal Life.

The heavy stone which had sealed the tomb in which Jesus was buried had been rolled away, and the tomb was empty.

The stone of anxiety in our lives can be rolled away, as we learn more fully to trust Him. The stone of sin can be rolled away because we shall increasingly be able to resist temptation. And the stone of death can be rolled away, because we shall walk into Life.
