# PLEASE NOTE..

If you are one who is authorized to charge items at Brother's Market on behalf of the church, **please, please** be sure to turn your receipts in at the church office! The store has a different billing system (compared to when they were Dave's), and it has become very difficult to keep up with what has been charged and where to code the expense. Without the receipt and the authorized purchase form (purchase forms are on the desk in the office) attached, we sometimes miss getting charges paid in a timely manner. **Also**, turning the receipts in as soon as you make the purchase rather than holding on to them helps also.

If you have any questions, please contact Megan Cannon (Treasurer) or Carol Waibel (in the church office.)
