Whoa, we're halfway there! 🎵

Congratulations! You made it to the half-way point of 2026! This month is normally the marker for big vacations, schedule disruptions, and most notably, school is out! With everyone's routines completely up-ended, the church naturally scatters a bit in June. It can feel a little frustrating to see attendance numbers drop on a Sunday because half our congregation is out of town (probably at the beach, camping, traveling to see family, or something along those lines). But, there is a unique beauty in this season, too!

When the church scatters, the ministry goes with them. As a reminder to our congregation, our faith isn't confined to a building or a weekend service. As you hit the road this summer, it's a chance for each of us to live out our faith in new environments, connect deeply with our families, and find God in the interruptions. Embrace the change of pace this month and take the opportunity to **share Jesus wherever you go!**
