When we honor
our flag, we honor
what we stand for
as a nation—
freedom, equality,
justice, and hope.

I believe our flag is more
than just cloth and ink. It is
a universally recognized
symbol that stands for
liberty and freedom. It is the
history of our nation, and it's
marked by the blood of
those who died defending it.

The Symbolism of the Flag

As we think about the American flag, we recognize it as a symbol of hope, freedom, and unity.

The colors red, white, and blue represent courage, purity, and justice, respectively. These ideals align closely with our Christian beliefs about standing up for what is right and fostering peace among our communities.

The flag serves as a reminder of the sacrifices made to preserve our freedoms, and we must honor these sacrifices by fostering love and acceptance in our hearts, living out our faith in everyday actions.

NOTE: Please continue to be in prayer as we seek to fill the position of Youth Director. If you have questions about the process or any interest in the position, please contact our committee or the church office.
