Scan me!

Dear FBC,

I would like to personally thank you dearly for the second scholarship that you all have decided to provide me with. This money is going to do me wonders between the cost of attending, books, and all the other expenses attending SFCC will require of me. I am continuing my work for an associates degree with a Theatre Major. I can not overstate just how much help this money is going to provide for me. From the bottom of my heart, thank you.

*Thank you*

Sincerely,  
Ashton Rullman

Thank You
